HILO WAITS FOR GREATEST CROWD AT CELEBRATION

Big Islanders Have Arrangements All Completed to Entertain Visitors

"Yes, Hilo will certainly be entertaining a record crowd for the great day on the Fourth of July," said W. de V. Norton this morning. "And Hilo has made splendid arrangements for the accommodation of her guests. It was realized early in the game that the church conference, which will be in session until after the Fourth, would take up most of the hotel room, so the committees in charge arranged to furnish as sleeping quarters the 49 or more rooms at the Hilo Boarding School and also secured other accommodations for the church people, in order to leave the hotels free for the excursionists from Honolulu and elsewhere.

"The features for the big parade on the morning of the Fourth are rapidly getting into line; to a large extent it will be of a military nature, but the members of the decorated auto and float sections are wearing a secretive smile which betokens some very striking novelties. The parade will be all in order, and will be the finest ever seen in the Big Island, while a note from the past is struck by the presence in the reviewing stand of several members of the G. A. R., to whom special honors will be paid.

"The challenge of the Junior six oared crew from Hilo to race all comers for the silver trophy donated by the Hilo Board of Trade has been accepted, and the youngsters will put forward every effort to beat the Honolulu bunch. It will be one of the most exciting races of the day, but even then will probably not approach the interest of the inter-island championship race between Hilo and the three Honolulu crews.

"The committee handling the great armory ball, which will take place on the night of July 3 (Monday), states that it will out rival anything of the kind yet carried out in Honolulu, and the novel scheme of decoration will create a sensation."

Fire caused \$400,000 damages at Wilmington, Del., when Lippincott's department store, the largest in the city, was burned.

Striking employees of the Union Station at Washington returned to work, having been awarded a slight increase in wages.

AUERBACH WINS MOANALUA GOLF TROPHY SUNDAY

Defeats Cullen in Final Tournament Match; Consolation Tourney in Semi-Finals

Arthur Auerbach won the Moanalua cup in the golf play at the Moanalua links on Sunday afternoon when he defeated William Cullen in the final match of the tournament.

Both players started out with a 6 on the first hole, bogey at 5. In the second hole play Cullen was off bad and took an 8. He made the flag pole hole in 4, but lost the next three holes in the play. On the long hole both made sixes, the bogey.

Under Bogey. Cullen made the last three holes on the first round in bogey, but got in trouble on the tenth hole, where Auerbach made a 4. Cullen took the long hole in the second round in 5, one under bogey. Auerbach won out in the last two holes getting a 3 on the short one and a 6 on the last.

There has been much interest taken in the play and another tournament is scheduled to begin in the near future. The consolation round has reached the semi-finals and will be played out during the next two or three weeks. Owing to the holiday period, the next round of the consolation has been postponed one week. Three prizes were awarded the winners and the runner up. Mr. Cullen will receive a merchandise prize and the same will go to the winner of the consolation.

It is thought that a tombstone tournament will be played off at the course in the near future. Inasmuch as the interest has increased rather than declined, there is certain to be a large number of entries in the tournaments to come.

The score of the match on Sunday was as follows:
Auerbach—6 5 5 5 6 5 6 4 8 5 4 5 7
6 6 4 3 6—96
Cullen—6 8 4 6 6 6 5 4 5 5 7 4 5
5 6 5 4 8—99

FORT SHAFER, N. T., June 26.—

Despite the fact that Jupiter Jitney threatened to mar hostilities on the Shafter diamond, one of the largest crowds of the season turned out and saw Company F, the league leaders, led to slaughter by the heretofore hitless wonders representing Company E. Lefty Ford, F Company's find of the season, was the victim of the swiftest but poor support was mainly responsible for the loss of the game. McRae's error of McGarry's long fly sailing in three runs while errors by Johnson and Holcomb in succession netted two more runs in the same spasm. At this stage, Ford was yanked in favor of Fisher, but he fared but little better than did Ford at the hands of the E Company pill busters, three hits, a walk and two errors contributing four more runs in the next session, Fisher being pulled out in favor of Johnson and going in at the receiving end, Dawson going to third and Huston to left field. From this time on E Company was at the mercy of Johnson's slants, Johnson striking out eight of the next 11 men to face him.

For E Company, Simmons pitched in gilt edge form, allowing but one hit, striking out nine and walking none, a very creditable performance against one of the heaviest hitting teams in the Shafter league, while the support accorded him by his teammates was classy. Duffy in left stalling four difficult chances in the left garden.

F Company's poor performance was a surprise to its many loyal supporters, a week of strenuous guard duty doing much to rob them of their usual peppery play and accounts, in a measure, for today's showing. However, F Company's defeat adds interest to the series as it puts E Company in the running with F and H Companies. If F trims H, and E again defeats F, the series will result in a tie for these three teams, necessitating another series to determine which will represent the 2nd Battalion in the regimental series.

JUNIOR LEAGUE TO HOLD MEETING ON WEDNESDAY NIGHT

A meeting of the Junior League will be held tomorrow evening at Dr. K. I. Chun's office at 7:30. All managers and captains are requested to be present to vote with the officers of the league in making new plans for the coming games.

The league will be continued, playing the postponed games on July 8. Owing to the cutting off of the Junior games without a moment's notice, the league could not arrange to play their games at this time. Every manager, captain and officer should be in attendance at this meeting, as a campaign for good, clean baseball must be made whether or not the Oahu League objects. The league was started to improve baseball, and should be continued.

Captain of St. Louis Team

Albert Akana, captain of the St. Louis baseball team which meets Santa Clara on Sunday afternoon at Athletic park. Akana has been stationed at first base in most of the games and will take this position against the Missionites. Akana is a heady ball player, and a great student of inside ball.

Willard Grace captured the Navy Cup at the Oahu Country Club on Sunday when he finished four strokes ahead of C. P. Morse, who was second, and Frank Armstrong, who was third, was one stroke behind the second man. Grace played a consistent game throughout, and had both low gross and net scores.

Harold Giffard had a good score in the morning round, but fell down in the afternoon, and took an 82 for the last 18. Frank Armstrong played the fifth hole. He tied for third place with Giffard in the gross score.

KAIMUKIS TAKE OVERTIME GAME FROM LILIANS

Had not Jimmie gone to the mound for the Lilians there would not have been a ten inning game played at Makiki field on Sunday afternoon. Otto Meyers had been pitching for the Lilians, but in the seventh inning got the gate, and Jimmy went to the rescue and held the Kaimukis safe for two innings.

In the tenth inning the Kaimukis scored on a slip, and the Lilians failed to cross the rubber, giving the Kaimukis the game by a score of 8 to 7. Camacho was on the mound for the Kaimukis and pitched great ball throughout, but errors by his team mates gave the Lils six runs.

The score by innings was as follows:
Lilians.....1 0 0 2 0 0 2 1 0—7
Base hits.....0 1 0 0 1 0 0 1—3

25TH INFANTRY BEATS MISSION TOSSERS 5 TO 1

That wrecking crew of the 25th Infantry didn't have all the say last evening in the game with Santa Clara as Fagan, Moore and Hawkins had two hits to their credit. The final score was 25th Infantry 5, Santa Clara 1.

If perchance the reader believes this is all a pipe dream or that some "snow bird" has been let loose, said reader is mistaken. The 25th Infantry won all right, and the box score is down there to prove it. It was a regular game with Rogan outpitching Brown, the big right-hander of the Santa Clara team.

The game was played in fast time, and the 25th Infantry won out by bunching hits in the second and fifth inning. Neither team scored in the first inning, although the first man up singled. In the second inning Brown singled, and Desmond flew out to Johnson. Preclado was safe on Ware's error, but Brown was caught at third, and Larken flew out.

Moore Triples. In the second inning Smith was safe on an infield error, but was forced at second on Fagan's infield hit. Moore then tripled to right, and Fagan scored. Hawkins then doubled and Moore came home. They scored three more in the fifth on hits by Rogan, Johnson, Fagan and Hawkins. Santa Clara scored the only run of the game in the seventh inning when Larken was safe on Johnson's error. Milburn sacrificed and Gay singled, scoring Larken. O'Neill singled and Hall walked, but Gay was caught at the plate on a hit to Moore.

It's a Great Game. Rogan fanned the last three men in the ninth inning. All this occurred on an office table, and there were no kicks on the umpire. Someone left this new game, which is called "World's Series Baseball Game," and a game was staged. You can play anything on the game that is pulled off on the diamond. There are squeeze plays, double plays and sacrifices. It looked at first like a game of luck, but it requires a knowledge of the game to pull off the plays. This game should be a popular one in the homes, as after the game the fans may sit down and play it over with a different result. It is as different to any of the games of baseball invented, as night and day. At any rate, the score showed that the 25th Infantry is going to be a favorite in certain sections over Santa Clara on Saturday. The score:
